

WEEKLY PLAN for HS LEVEL 3

WEEK: 10

UNIT 6A, 6B

STRUCTURE

Unit 6 is awesome. In this Unit, the reading texts are about all about future. So, we have to make predictions. The most appropriate Grammar Structure is If Clause Type 1 when we want to make predictions. Here we go:

VOCABULARY

You, as teenagers are used to live with technology more than adults do. We have a video below for you to revise the technology phrasal verbs. Enjoy ☺

What do these words mean? Are you interested in one of them? *astronomy, biochemistry, bio-technology, botany, chemistry, ecology, genetics, geography, geology, physics, psychology, zoology*

EXTRA MATERIAL

Do you like sci-fi films/series? Why? Why not?

6A text is about a sci-fi film Star Trek. How many sci-fi films and series can you name?

What about sci-fi or fantastic novels? Have you ever read one?

https://www.youtube.com/watch?v=C8xAuN_nHNc (Best sci-fi movies ever) We're looking forward to your suggestions 😊

Another interesting topic about mind reading. Here is an extra video to support your text in your SB:p.66 (Science fact or fiction?)
