

THEN AND NOW

Think about the way people lived, in Spain, during Francisco Franco's dictatorship from 1939 to 1975.

Think about the way people live today, in a democratic state.

Decide if these words refer to a *dictatorship* or a *democracy*.

Write **dictatorship** or **democracy** next to each word.

• free elections	
• constitution	
• censorship	
• one leader	
• political parties	
• people can say what they like	
• prime minister	
• dictator	
• people can be imprisoned for their opinions	
• one official political party	
• rights and responsibilities
