

MOCK EXAM #6 YS4

A) Read the story.

Once upon a time, there was a poor farmer who worked very hard. His name was John. John had a very clever cat. The cat had red boots and a blue hat. His name was Puss in Boots.

One day the farmer was tired.

"John, can I help you?" the cat asked. John was surprised. "This cat can speak!" said John.

Then Puss in Boots went to the forest and saw a big fat rabbit. He put it in his bag and took the rabbit to the king. The king was surprised and happy.

"This present is from my master, Prince John," Puss said.

In the afternoon, Puss said to his master:

"Take off your clothes and jump into the river!"

"Why?"

"The king is coming! He can't see you wearing dirty clothes!" said Puss. Then Puss shouted "Help, help! Prince John is in the river. He can't swim!"

The king and his men helped John and gave him some clothes. Now John looked like a real prince.

Are these sentences T (true) or F (false)?

E.g. John was poor. T
