Irfan School – Science Department

Grade Six

The Microscope

Complete the following table about the magnification of the Microscope:

Drag the right answer into the table:

10x	14x	40x	50x	100x	400x	900x

Objective Lens	Magnification of the ocular lens used	Magnification of the objective lens used	Total magnification of the microscope
Scanning	10x	4x	
Low power	10x		100x
High power	10x	40x	
Oil Immersion	10x		1000x

Don't forget to press FINISH at the end and check your score!
Your answers will be sent directly to me.
