

Misunderstood

(Bon Jovi)

1. Correct the mistakes in every other line:

Could I? Should I? (x) _____

Have said the wrong things right a thousand times

If I could just forward, I see it in my mind (x) _____

If I could turn back time, you'd still be mine

You tried, I died (x) _____

I should've shut my mouth, things headed south

As the words slipped off my mouth, they sounded dumb (x) _____

If this old heart could talk, it'd say you're the one

I'm spending time when I think about it (x) _____

2. Write down the missing lines

(Chorus)

I would've run all the lights

I stumbled like my words,

Dang! Misunderstood.

3. Put the sentences in the correct order

- () To stretch the truth, but didn't lie
- () You found me passed out in the yard again
- () It's not so bad when you think about it
- () You cried, I tried
- () Could I? Should I?
- () Staying out too late with all my friends
- () Apologize for sleeping on the couch that night

*** Repeat Chorus**

It's you and I, just think about it...

4. Write down the missing lines

(Chorus)

I would've run all the lights

I stumbled like my words,

I'm hanging outside your door

I stumbled like my words,

Dang! Misunderstood
