Hi! My name is Harry Potter. I'm a young wizard and I'm going to tell you about my daily routine at the Hogwarts School of Witchcraft and Wizardry!

Every day I usually wake up at half past seven. I wash my face, brush my teeth and get dressed in my school uniform. Then I go with Ron and Hermione to the Great Hall to have breakfast. We have bacon and eggs very often but sometimes we have porridge and toasts with marmalade.

I study a lot of interesting subjects about magic! I always start Mondays with Potions at nine and after the break, I have Transfiguration with McGonagall. We have lunch at midday and then Ron sometimes goes to the Wizard Chess Club. We have Charms every day after lunch except for Tuesday. I have History of Magic at half past ten on Tuesday. I don't like this subject because it's very boring! At 12:30 a.m. I have Care of Magical Creatures with Hagrid. I also have Herbology at the greenhouse on Tuesday and Friday before the break.

Ron and I have two classes of Divination before lunch on Wednesday. We study about the future there. Hermione doesn't believe in it and she studies Ancient Runes instead. We have Defence against the Dark Art at 2 p.m. once a week. After History of Magic on Thursday I have Potions with Snape. I'm afraid of him!

After school I usually practise Quidditch in the evening. We eat roast beef and Yorkshire pudding for dinner at eight. Sometimes my friends and I meet in the common room after dinner. I never study the starry skies classes on Monday nights. When I come back to my house dormitory, I take a shower and do my homework. I often go to sleep at about ten.
