

My country

Greece is a small country in southern Europe. It has a population of about 10 million. Many tourists visit Greece every year because of its warm climate, beautiful scenery and friendly people.

1

Greece has long dry summers and short winters. July and August are the hottest months of the year, but temperatures are warm from May to October.

2

Greece has hundreds of islands, which have beautiful sandy beaches and clear blue sea. However, a lot of people don't know that Greece also has many forests and mountains with a lot of wildlife.

3

Athens, the capital of Greece, is famous for its amazing ancient monuments, but the islands are the best place to go if you just want to relax. In winter, you can go walking, climbing and even skiing on Mount Olympus, which according to legend was home of the mythical beings.
