SUBJECT Summer holidays! 😊

Hi! I'm Lidia. I'm from California and the next summer I want to visit you and your family. I'm ten years old. My birthday is in November 9th. I have got one sister; her name is Janet. My dad is Rick and my mum is Claudia. They are 35 years old. My dad is a doctor and my mum is a vet.

Every day, I get up at nine o'clock and have milk and toast for breakfast. In the morning I do my homework and study. I have lunch at quarter to one. In the afternoon I go to school but my sister Janet goes in the morning. My favourite subject is Art, it's on Monday at half past nine. I go home at five o'clock. In my free time my sister and I go skateboarding. I like sports! I can swim but I can't dance. In the evening I have a shower and watch TV. My mum doesn't prepare dinner, she doesn't like cooking but she loves cleaning. After reading a book I sometimes use my touch pad, it's big and new. I go to bed at quarter to eleven.

I have to go; my sister is doing the homework and I have to help her. My parents aren't at home, they are working. What are you doing at the moment? What's your mum's name? Bye! Lidia
