

FUTURE PROBABILITY (TOTAL ENGLISH ADV. UNIT 4)

<i>The pilot thinks that there is every</i>	are that we will pass an exam.
<i>The chances</i>	that we will have finished by Friday.
<i>There's a distinct</i>	call off tomorrow's meeting.
<i>They are bound</i>	chance that the shop still will be open.
<i>There is every chance</i>	likelihood that the plane will land on time.
<i>Students definitely</i>	possibility that they will call us back today.
<i>The boss may</i>	whether they will make a final decision today.
<i>The odds are</i>	will get their exam scores tonight.
<i>There's a slim</i>	to know the answer.
<i>To be frank, I doubt</i>	against our victory tomorrow.
