

TELUK	BETING PASIR	TANJUNG	TOMBOLO
GERBANG LAUT	GUA	BATU TUNGGUL	TUNGGUL SISA

This diagram illustrates various coastal features. On the left, a large bay is labeled 'TELUK'. Within this bay, a narrow opening in a rock formation is labeled 'GERBANG LAUT'. To the right of the bay, a narrow strip of land is labeled 'BETING PASIR'. Further right, a small cave opening is labeled 'GUA'. On the far right, a point of land is labeled 'TANJUNG'. In the foreground, a large rock formation is labeled 'BATU TUNGGUL'. To its right, a smaller rock formation is labeled 'TOMBOLO'. Finally, a small, isolated rock formation in the water is labeled 'TUNGGUL SISA'.
