Hello Pam,

How are you? Sorry I haven't written for so long, but I've been really busy. I'm a volunteer for a group that takes kids to an eco-camp on the weekends, and I just have to tell you all about it.

We've already been to the camp quite a few times, and have done so many things. We've planted some trees near the cabins and cleaned out a dirty pond. The camp looks fantastic and the kids really like having the chance to do something useful. But we haven't finished yet! Tomorrow, we're collecting all the trash in the area for recycling. Volunteering is hard work, but it's a lot of fun and I've met some amazing kids.

How has your vacation been? Write soon.
