

Use the table below and compare pairs of values (Bubble Sort). Starting from top left corner and compare each pair and move to right and select the next pair (the pairs have been highlighted for you).

9	4	44	5	7	17	3	11	8

First pass:

44	44	44	44	44	44	44	9
4	9	7	5	11	8	13	17
