

**HEY KIDS! LET'S MEET ZACK!****Read the following text:**

Hi, how are you? My name's Zack and I'm your new friend! I'm nine years old and my birthday is on July 3rd. I've got a small family, my parents and one sister. I haven't got any brothers, but I've got lots of cousins. I really love sports and football is my favourite one. I can play very well and I hope I become a famous player like Neymar Jr. one day. He's my idol! I can't practice many other sports because I live in a small town and there aren't sports centres here.

Yesterday was my birthday party. What a fun day! I jumped out of my bed early because I was excited. My mother cooked pancakes for breakfast. They were delicious, yummy! When I was little, I didn't like pancakes, but I love them now. We listened to songs on the radio. My father wanted to listen to the news but he couldn't because it was my special day! Mom also baked a big chocolate cake! In the afternoon, it was my party. The weather wasn't cold or rainy and we could celebrate! I had mailed invitations to all my friends. They arrived at 3 o'clock and we played games. Then, we listened to my new CDs and we danced a lot. It was a fun party! I didn't want my friends to go home.

I promise I'll invite you to my next party. Bye for now!
