The Best Holiday ever!

Julie and Johnny were on holiday in Edinburgh with their parents. It was a sunny day, so they decided to go and play on the beach. They were very excited, so they ran all the way there.

At the beach they unpacked their things. 'Let's play football!' said Johnny. They got their ball and started to play.

Johnny threw the ball very much and it went behind some rocks. Julie ran to find it. As she looked for the ball, she noticed something behind the rocks. It was an old box. She opened it carefully and found an old map inside.

Julie took the map to Johnny. 'This is exciting! Let's take it to the museum', he said.

The man at the museum was very happy. He said that it was the oldest map in the country.

Finally a newspaper interviewed Julie and Johnny about their exciting trip. 'This was the best holiday ever!' they said.
