cut	cortar
coasters	posavasos
fold	doblar
glue	pegar

INGLÉS	CASTELLANO
hang	colgar
paint	pintar
roll	enrollar
sand	arena
sheets of	hojas de
shoelace	cordón de zapato / pasadores
turn	voltear, dar vuelta, girar

THE BENEFITS OF RECYCLING

LISTEN AND READ

Listen to and read the instructions about how to create a new object from recycled materials:

Christmas is coming soon. Let's learn how to make Christmas ornaments with recycled materials. Remember, **small changes can make a big difference!**

Today we are going to make a snowman! Follow the instructions:

How to Make a Snowman with Recycled Materials

Materials:

1. one sock
2. scissors
3. sand
4. buttons
5. two shoelaces
6. glue

Instructions:

1. First, cut the sock.

2. Then tie one end of the sock with a shoelace.

3. Fold the sock inside out.

4. After that, fill the sock with sand.

5. Tie the other shoelace to make the snowman's head.

6. Fold the other part of the sock to make the hat.

7. Finally, use small buttons to make the eyes and larger buttons for the body.

8. Now, you have a snowman to decorate your house.

Feel free to add more details to your snowman using more recycled materials!

Let's celebrate Christmas and take care of our planet together. If we all do it, we can make a big change!
