

CHRISTMAS STORY

Christmas in England

In England, children do not get presents on Christmas Eve, 24th of December. Santa Claus comes at night when everyone is sleeping. His reindeer can fly and takes him from house to house to deliver all the gifts. They land on the roof of the houses and then Santa Claus climbs down the chimney to leave the presents under the Christmas tree. In the morning of Christmas Day the 25th of December children usually get up very early to unwrap their presents. Then they have plenty of time to play with their toys. Christmas dinner is served in the afternoon. Most people eat turkey, sprouts and lots of vegetables, not forgetting Christmas pudding. The 26th of December is called Boxing Day because that day people go back to work and their bosses give them presents in little boxes.

Answer the questions
