

ASSESSMENT OF THE YEAR

1.

A. Choose the correct item.

When I first met my university flatmate, Emily, I didn't really like her. I thought she was a(n) e.g. ...A... girl who liked giving people orders. However, when I got to know her we became friends and have been friends ever since. She is a very energetic and 1) person, who always offers to help people and organises all kinds of events.

First of all, Emily is very pretty. She has 2) features and people always notice her large, green eyes and 3) hair. But I think that her 4) nose is her best feature.

Emily is usually 5) dressed. Her favourite clothes are her old jeans and her collection of T-shirts with the names of her favourite rock groups. Emily is always on a diet, because she worries about 6) weight. She never believes me, when I tell her she's very slim. Emily is very 7) and she is always the life and soul of the party. She is also very romantic, but she is 8) about who she talks to. She wants to find someone really special. She is so clever and talented that she could have a great career, 9) she is not at all 10) She has no idea what she wants to do after she finishes her studies. All in all, she is very special to me and I know she will always be there when I need her.
