

Watch this short video about one of the best tree houses in the world. What do you like most about it? Would you like one, too? How would your own tree house look like? Write your thoughts in a few words.

Example: I think the best thing about this tree house is its zip line! It is amazing! I would love to have a tree house like that one! My own tree house would have a kitchen, a living room and a bedroom. I would spend my free time in my tree house. I would never leave from there!
