Shopping in PRAGUE

Are you looking for an unusual shopping experience? At Galerie

Harfa Mall in Prague, The Czech Republic, there are lots of shops, people and even dinosaurs! That's right; dinosaurs come to life at this unique shopping mall. Outside, on the roof of the mall, is a huge dinosaur-themed amusement park. Here, you can see many giant dinosaur robots that move and make sounds. The rooftop has also got cafés and fast-food restaurants, a children's playground, and an ice-skating rink. Inside the mall there are 160 shops and stalls that sell everything from electronics and clothing to books, toys and fresh vegetables. After a day of shopping you can relax at the health spa and gym or take a swim in the indoor swimming pool. You can end your day with a meal at one of the many nice restaurants or at the food court in the mall. At Galerie Harfa there is something for everyone. So, it's worth a visit!
