

## Robbie Williams – Can't stop Christmas

Oh what a \_\_\_\_\_ year  
But what a time to be alive  
Sadly some \_\_\_\_\_ disappeared  
It's never been like this before  
It feels like we're at \_\_\_\_\_

So I wonder who's gonna decide  
If we can do the Auld Lang Syne  
I wish that I could do what I like  
With this \_\_\_\_\_ of mine  
We're going out of our \_\_\_\_\_

So what are we to do  
About your FaceTimes and Zooms?  
There's a \_\_\_\_\_ inside my mind  
And it's always here for you

*Nothing's gonna stop Christmas...  
No chance*

You can't take away our season  
Like you can take away the wine  
(Santa's on his sleigh  
But now he's two \_\_\_\_\_ away)  
The people gonna need something to  
believe in  
After a year of being in  
(We've got a wish list  
you can't stop Christmas time)

If you're wondering what I like  
Stacks of \_\_\_\_\_ will do fine  
I guess you do your shopping \_\_\_\_\_  
The high street lights are out  
There's nobody about

friends      war  
waiting      room  
metres  
sanitizer      believe  
online      missed  
year      family  
anticipating  
boredom      minds  
miserable

So where will we all be  
Come this time next \_\_\_\_\_?  
I know you'll be with me  
And I'll be here  
Nothing's gonna take Christmas...

You can't take away our season  
Like you can take away the wine  
(Santa's on his sleigh  
But now he's two metres away)  
The people gonna need something to  
\_\_\_\_\_ in  
After a year of being in  
(We've got a wish list  
you can't stop Christmas time)

Why, oh why are we all waiting?  
The whole damn world \_\_\_\_\_  
Beyond \_\_\_\_\_ and frustration  
The planet's locked in "what" "ifs" and  
"maybes"

You can't take away our season  
Like you can take away the wine  
(I spoke to Santa Claus  
I hear he's \_\_\_\_\_ at the door)  
The people gonna need something to  
believe in

After a year of being in  
We've all \_\_\_\_\_ this  
So here's our wish list  
You can't stop Christmas time
