READING. Read this text and circle T for true or F for false	5 x 0.4 = 2 marks
---	--------------------------

I'm Tomas and I live in Vienna with my parents and my sisters. I'm the youngest in my family. I turned 13 last month. My sisters are Martina, 16, and Betta, 19. Betta's very serious and she always tells me what to do, I guess because she's the oldest. I go to a nice school not too far from our home and I really enjoy it. I have a lot of friends there and I enjoy studying. My best subject is Geography, probably because it's the easiest too! My most difficult subject is Maths - I'm terrible and I don't like my teacher. I love playing sports, especially basketball. This is my first year and I'm the tallest player on the school team and I usually play really well. It's the happiest part of my day. My coach says that one day I could play professional basketball! At the weekend I spend a lot of time with my friends, Ralf and Kurt. We do everything together and they are the most important people in my life, apart from my family of course!

1. Tomas' sisters tell him what to do.
2. Tomas isn't good at Maths.
3. He played basketball at school last year.
4. He really likes playing basketball.
5. This text is about Tomas' family life.
