READ THE FOLLOWING TEXT CAREFULLY.

Her name is Taylor Swift and she is a famous American singer. She is twenty-three years old and her birthday is on December, 13th. She is from Wyomissing, Pennsylvania so she is American.

She has got long curly blonde hair and sweet blue eyes.

Her father's name is Scott and Andrea is her mother. She has a little brother, Austin.

She is a student at the Aaron Academy and her favourite subjects are music and poetry.

Her favourite singers are Tim McGraw, Britney Spears and Rhianna.

She likes country and pop music, but she doesn't like jazz or hip hop.

She can play the guitar and the piano.

She likes animals; she has a pet called Meredith.

Now she lives in a flat in London, the capital city of England.

) ANSWER THESE QUESTIONS, PLEASE.

- 1- When is Taylor's birthday?
- 2- Has she got brown hair?
- 3- Is Britney Spears her favourite singer?
- 4- Where is she from?
- 5- Can she play any musical instrument?
- 6- Who is Meredith?
