

중3(동아윤) Special Lesson

<P156>

Scene 2

*Beth is at home talking _____ her parents about the **activity**.*

Beth: Everyone _____ long lists of compliments for other
classmates, **except for** me.

I don't know _____ to compliment Peter _____.

Mom: Think carefully. There should be something.

Beth: Well, he's clean. He washes his face every day.

Mom: That's not a compliment. Everybody _____ that.

Dad: Try again. I'm sure you can find _____ to say about
him.
