Sarah had a problem

For a long time Sarah wanted to **go out** with a very handsome man called James, and then one day he **turned up** at her door. Just like that! She asked him in. James **took** his coat **off** and sat down. Then he explained that while driving past her house his car **broke down**. It was outside. Sarah said James could call out a mechanic and she **looked up** the nearest garage in the phone book. She offered him a cup of tea. He accepted. But then she realized there was no milk. "We've **run out** of milk" she said and **popped out** to buy some more. While Sarah was away the mechanic **turned up**. He **got on** with mending the car and James watched. When it was mended James

got in his car and **drove away**. In the shop Sarah suddenly remembered her little baby sister who she was **looking after** was at home. She **ran back** to the house and saw that James had left. Her little sister was crying inside, and she had no keys!
