

A. Read the text and write True or False next to the sentences

Disneyland

Disneyland is one of the biggest theme parks in the world. It is 30 km far away from the center of Paris. There are many restaurants, hotels, swimming pools, and a golf field in Disneyland. Every year, millions of people visit the place. Although it mostly attracts children, adults also visit this place. It is founded by American film producer, Walt Disney. In Disneyland, people can find a chance to see Disney characters and studios. There is an artificial lake in Disneyland. Its name is Lake Disney. There are five thematic areas in Disneyland; Fantasyland, Discoveryland, Frontierland, Adventureland, and Main Street USA. Fantasyland and Discoveryland are the most popular ones. In Fantasyland, the children can find fairy tale and cartoon characters. In Discoveryland, the children can see the science and tricks of the films.
