

WELCOME TO MY LIFE by Simple Mind

Do you ever feel like breaking down?

Do you ever feel out of place?

Like somehow you just don't belong

And no one understands you

Do you ever wanna run away?

Do you lock yourself in your room?

With the radio on turned up so loud

That no one hears you screaming

No you don't know what it's like

When nothing feels all right

You don't know what it's like

To be like me

CHORUS:

To be hurt

To feel lost

To be left out in the dark

To be kicked when you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one's there to save you

No you don't know what it's like

Welcome to my life

Do you wanna be somebody else?

Are you sick of feeling so left out?

Are you desperate to find something more?

Before your life is over

Are you stuck inside a world you hate?

Are you sick of everyone around?

With their big fake smiles and stupid lies

While deep inside you're bleeding

No you don't know what it's like

When nothing feels all right

You don't know what it's like

To be like me

(CHORUS)

No one ever lied straight to your face

And no one ever stabbed you in the back

You might think I'm happy but I'm not gonna be okay

Everybody always gave you what you wanted

You never had to work it was always there

You don't know what it's like, what it's like

(CHORUS2x)

Welcome to my life

Welcome to my life
