ZERO CONDITIONALS

1. Read and analyze the following grammar tip:

Zero conditionals are used for facts that are generally **true** and **do not change**. It refers to a general situation that **always** happens if a condition is met.

The position of the clauses does not change the meaning.

Remember: Do **not** use **comma** (,) to separate the two clauses if the result clause is first.

2. According to the table above, **match** the following activities with the right pair.

A. You Tubers are famous

they ask their teacher.

B. If you want to listen to music

you turn on the radio.

C. I call my best friend

if they have lots of subscribers.

D. If students don't understand

if I feel sad.
