Preparing Ingredients

As a cook's helper, you will prepare ingredients. This allows the chef to focus on cooking. But different meals require different preparation methods.

blend

Chop or mince an ingredient if you just need irregular pieces. You can grate some ingredients for small, irregular strips. If the chef tells you to dice it, cut uniform pieces instead.

Some ingredients need excess material separated Sift flour, sugar, and other powders to filter out chunks.

For boiled ingredients, drain or pour liquid out before using.

The chef will sometimes ask you to combine ingredients Toss them for a loose mixture. For a smooth mixture, blend them instead.
