KIDS FOUR FINAL EXAM

Paper 1

Time allowed: 1 hour

A) Read the story: "Robinson Crusoe"

Robinson Crusoe was a sailor. He loved travelling to distant countries. He started sailing with his ship when he was nineteen. He went to Brazil and became a farmer.

When he was older Robinson Crusoe went to Africa. On the way, there was a terrible storm. His ship was destroyed and Robinson appeared on an island with no people. He built a home and his own farm. He had some cows for milk, butter and cheese.

One morning Robinson saw a man. Robinson Crusoe took the man to his hut, gave him some food and water. He called the man Friday because they met on that day. In time Friday learnt a few English words, for basic communication and they became friends.

Luckily, after thirty five years on the island, Robinson Crusoe and Friday found a boat on the beach. They decided to go back to Brazil, where Robinson had his home.
