

FORMATION TECHNIQUES: BLOW MOULDING

<https://youtu.be/NE4c1gwzPb4>

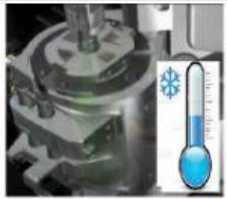

Watch the video. Then order the stages that are followed in this technique. Use this sentences:

ESPAÑOL	NOUNS	VERBS	OBJECTS 1	OBJECTS 2
Cerramos el molde.	We	takes	from the mould .	of the mould .
El objeto toma la forma deseada.	We	extract it	the desired shape.	and solidified .
Ponemos una 'preforma' dentro de un molde hueco.	Pressurised (/presuraizd/) air	put	the mould .	
Lo dejamos enfriar y solidificar.	We	close	a preform ¹	
Este molde tiene la misma forma que el objeto que queremos hacer.	We	is blown	<u>into</u> it.	<u>into</u> a hollow mould .
Lo extraemos del molde.	The object	has	the same shape	
El plástico se adhiere a las paredes del molde.	This mould	adheres (/adjies/)	to cool	as the object that we want to make.
Aire presurizado es soplado dentro.	The plastic	leave it	to the sides
