

Quantities in recipes

We write: 75g flour, 1tbsp vegetable oil

We say: seventy-five grams of flour and one tablespoon of vegetable oil

1. Complete the table. Dopolni tabelo.

We write (napišemo)	We say (rečemo)
2 cups flour	two cups of flour
3 tbsp sugar	
	two hundred grams of sugar
2lb minced beef	
	one teaspoon of baking soda
1 pot yoghurt	
	eight ounces of rice
4pt milk	

2. Read what the chef says. How would you write this in a recipe? Preberi, kaj pravi kuhar. Kako bi bilo to napisano v receptu?

This is my famous pizza with homemade sauce! Would you like to make it? You will need three hundred grams of white flour, one teaspoon of instant yeast and one tablespoon of olive oil. For the tomato sauce, you will need one tablespoon of olive oil, two garlic cloves and two hundred millilitres of passata. And, finally, for the topping you will need eight mozzarella pearls – halved – and a small bunch of fresh basil.

BUON APPETITO!

Ingredients

For the dough	300g white flour
For the tomato sauce	
For the topping
