**FIRST, START BY READING THE TEXT AND GUESSING THE MISSING WORDS. THEN,**  
**LISTEN TO THE FOLLOWING AUDIO AND FILL IN THE GAPS:**

**Finally, you can express your OPINION.**

When I was \_\_\_\_\_, we \_\_\_\_\_ used the word \_\_\_\_\_. It wasn't \_\_\_\_\_. People would think you were \_\_\_\_\_ for recycling things. Today, things are \_\_\_\_\_. We now know we have a \_\_\_\_\_. We use too much \_\_\_\_\_ and \_\_\_\_\_ everything away. Lots of the stuff we throw away is very \_\_\_\_\_. It can be \_\_\_\_\_ again, recycled. This is \_\_\_\_\_ for the environment because we use \_\_\_\_\_ natural \_\_\_\_\_. I love recycling. It makes me feel as though I'm \_\_\_\_\_ the Earth. I even buy things like used \_\_\_\_\_ and clothes. This also recycles. Some of the countries I've lived in are \_\_\_\_\_ at recycling. There are giant \_\_\_\_\_ banks at the end of the street and places to \_\_\_\_\_ newspapers, clothes, \_\_\_\_\_ and metal.
