

## Shopping in Barking

I usually go shopping at Tesco. There is one near my house. I usually take my youngest daughter with me. She likes going to Tesco. She always wants to buy a sweet. Sometimes she asks for a toy. I usually take a big trolley because I have a lot of shopping to do. The boot of my car gets full. I live in a flat on the second floor. I have to carry my shopping up. I usually take the lift!
