

Otherside

Red Hot Chili Peppers

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

I heard your voice through a _____

I thought it up and brought up the _____

Once you know you can never go _____

I gotta take it on the other side

Centuries are what it meant to me

A cemetery where I _____ the sea

Stranger things could never _____ my mind

I gotta take it on the other side

Take it on the other side

Take it on, take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

Pour my life into a _____ cup

The ashtray's full and I'm spillin' my guts

She wants to know, am I still a slut?

I've got to take it on the other side

A scarlet starlet and she's in my bed

A candidate for a soul _____ bled

Push the trigger and pull the thread

I gotta take it on the other side

Take it on the other side

Take it on

Take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

Turn me on, take me for a hard _____

Burn me out, leave me on the other side

I yell and tell it that it's not my _____

I tear it down, I tear it down

And then it's born again

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

How long, I don't, I don't believe it's bad

Slit my throat it's all I ever
