2 __ Hi Dora

3 __ I hope you're well. I'm fine. Last weekend, I had a real adventure. I was staying at my aunt and uncle's house and my uncle has a little boat, so I went sailing with my cousins.

4 __ We were having a great time in the boat when someone **a suddenly** shouted, 'Hello!'. A boy and a girl were standing on a small island and shouting. **b** _____ I thought they were being friendly and I shouted 'Hello.'

c _____ the boy shouted 'Help!'. We

sailed to the island and the boy carried the girl to the boat because her leg was red and swollen. The boy said his sister was climbing on the rocks when she fell. **d** _____, I had my mobile so I called my aunt and she called an ambulance.

We sailed back to the beach and the girl went to hospital. **e** _____, the girl was okay and **f** _____, her parents called to thank us.

5 __ Write soon, love Becky xxx
