

Listen to the song and complete the lines.

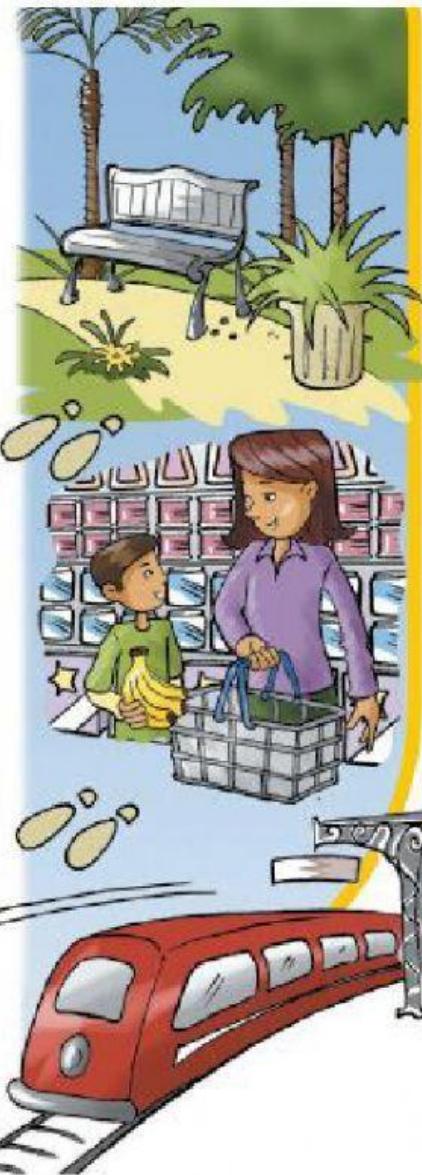

Places to go

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

Places to go, things to see,
Out and about, my mum and me.

We put our shopping

We go to the shops,
Or a supermarket.

Until it is dark.

We go to the park.
And see some trains.

We go to the bank,

We go to the airport,
We go to the station

We see some planes.
We go to the zoo

In a basket.
