

Complete the following paragraphs with these words:

**dangerous - too - expensive - hobby
- boring - collecting - lazy - difficult**

I think collecting things can be a bit too . I prefer playing board games, especially chess and carom. That's why I joined the Games Club at school. It's really good because you can make new friends. Next year, I think I'll join the Music Club. So I can learn to play the keyboard. It's very but I want to try!

1

The outdoor life is exciting for me. I prefer quiet, indoor activities such as reading and writing. It's very interesting things like badges and telephone cards. Some say that it's too boring for them but you never know - the badges may become valuable one day!

3

Watching TV all day is too . I like doing other things instead. I enjoy the excitement of outdoor activities like horse riding, cycling or skateboarding. My family think they're all very but I'm very careful!

2

I don't think it's good to be too busy or too . Balancing your work time and free time is important. That's why I make sure I do all my homework before spending my time with friends or doing a . Watching TV can be very interesting.
