

Nombre: _____

Escribe la parte que falta en cada línea:

● $4 + \underline{\quad} = 13$

● $8 + \underline{\quad} = 11$

● $\underline{\quad} + 13 = 16$

● $\underline{\quad} + 7 = 12$

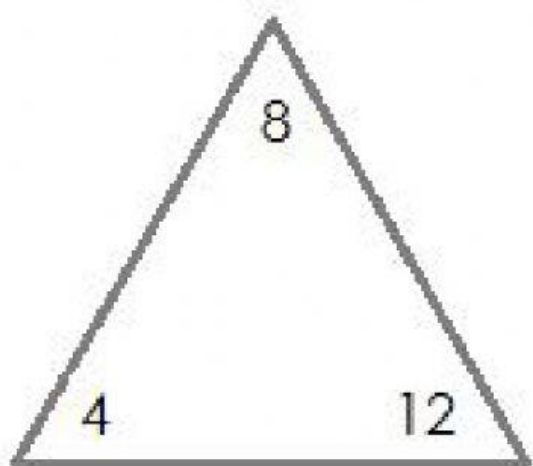

● $18 = \underline{\quad} + 3$

● $6 = \underline{\quad} + 5$

● $14 + \underline{\quad} = 17$

● $8 + \underline{\quad} = 15$

Escribe ecuaciones usando los mismos números:

$\underline{\quad} + \underline{\quad} = \underline{\quad}$

$\underline{\quad} + \underline{\quad} = \underline{\quad}$

$\underline{\quad} - \underline{\quad} = \underline{\quad}$

$\underline{\quad} - \underline{\quad} = \underline{\quad}$
