

# Adjectives

Remember that adjectives give us information about **opinion, age, size, shape, quantity, and color.**

Examples: pretty, big, round, three, yellow, and funny.

Choose the words (adjectives) that describe a person, a place, an animal, or thing.

|       |         |          |         |          |        |
