

MTSS: Virtual Cups Activity

MTSS is an acronym for Multi-Tiered System of Support. It is structured in three levels of support. Move the cups below to organize the different supports that are offered at our schools.

Tiers and Typical % of students

The diagram consists of three rows of colored squares and two rows of labeled cups. The blue squares are on the left, yellow squares are in the middle, and green squares are on the right. The cups are arranged in two rows below the squares.
