

New Year Resolutions

Worksheet #3

Instructions: Read the story and answer the questions.

It was the beginning of January. Mary woke up late. She said, "This year I will start going to bed early because I don't want to wake up late."

She got dressed quickly and went to the kitchen. She had a cup of coffee and left quickly to catch the bus. She said, "This year I am going to stop drinking coffee for breakfast because it is not good for my health."

At work, Mary was very busy and missed lunch. She said, "This year I will start bringing my lunch in to work with me because it is important that I eat a healthy lunch."

At the end of the day, Mary took the bus home. She said, "This year I am going to start walking home from work twice a week because it is good exercise for my body."

At home, Mary ate a big dinner and sat in front of the TV until 1:00 am. She was very sleepy and went to bed. The next morning, she woke up late again. She said, "It is very hard to keep New Year resolutions!"
