

Mathematical Practices

Make a hundred to add.

1. $23 + 398$

_____ + _____ + 398

$21 + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$

So, $23 + 398 = \underline{\hspace{2cm}}$.

2. $178 + 98$

_____ + _____ + 98

$176 + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$

So, $178 + 98 = \underline{\hspace{2cm}}$.

3. $77 + 196$

_____ + _____ + 196

$73 + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$

So, $77 + 196 = \underline{\hspace{2cm}}$.

4. $245 + 99$

_____ + _____ + 99

$244 + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$

So, $245 + 99 = \underline{\hspace{2cm}}$.
