I can solve addition sums by drawing and write addition sentences:

-

4  were sitting on a flower. 2  came and  
sat on the flower. How many  are there in all?

Draw in your notebook

Addition Sentence

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

1 green colour  was on the road.

5 blue colour  joined the green car.

How many cars in all?

Draw in your notebook

Addition Sentence

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_
