

Изваждане до 20 без преминаване

1. Запиши задачите с числа

A visual subtraction problem using squirrel icons. On the left, there are 12 squirrels arranged in 3 rows of 4. In the middle, there is a minus sign followed by 2 squirrels. To the right of the minus sign is an equals sign, followed by 10 squirrels arranged in 3 rows (4, 4, and 2).

$$\boxed{} - \boxed{} = \boxed{}$$

A visual subtraction problem using hedgehog icons. On the left, there are 15 hedgehogs arranged in 3 rows of 5. In the middle, there is a minus sign followed by 3 hedgehogs. To the right of the minus sign is an equals sign, followed by 12 hedgehogs arranged in 3 rows of 4.

$$\boxed{} - \boxed{} = \boxed{}$$

2. Свържи с правилния отговор.
