Last Summer holiday, Ahmed and his friends went to Jabal Shams. It is the highest mountain in Oman. It is very cold in summer. In Jabal Shams most people are farmers. They also have many animals like goats. Ahmed and his friends had fun time there. They stayed there for three days. They had many interesting activities like camping, taking night photos and watching stars. They also climbed the mountain but it was dangerous. They wanted to visit old places in the mountain but they didn't have time. They loved the trip so they decided to go there again next holiday.
