Instructions:

Read each statement carefully. Write **GO** if the statement shows a way on how you can decrease your ecological footprint. Write **STOP** if not.

When grocery shopping, use your own reusable shopping bag.

Read documents on your computer and print only when absolutely necessary.

Ask for a plastic straw when buying drinks in a restaurant or cafe to avoid your lips touching the container directly.

Instead of driving, walk or ride a bike when you will go to nearby places.

Turn off the lights when the room is not in use to conserve energy.

Shop and pay bills online instead of going out.

Segregate wastes at home.

Use plastic spoons and forks when dining outside.

Donate old clothes, toys, and books instead of throwing them away.

Dispose wastes properly in the correct container.
