

Adunarea cu o unitate
-clasa pregătitoare-

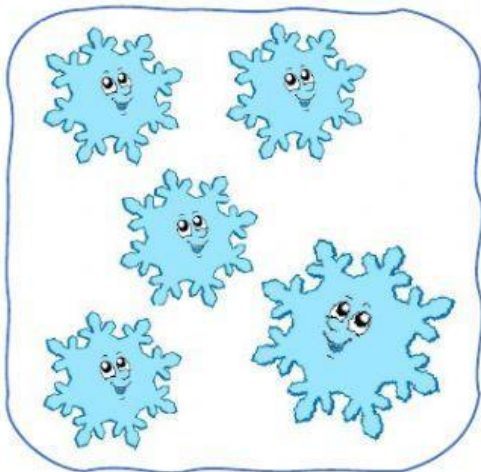

1. Calculează, folosindu-te de imagini.

		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$

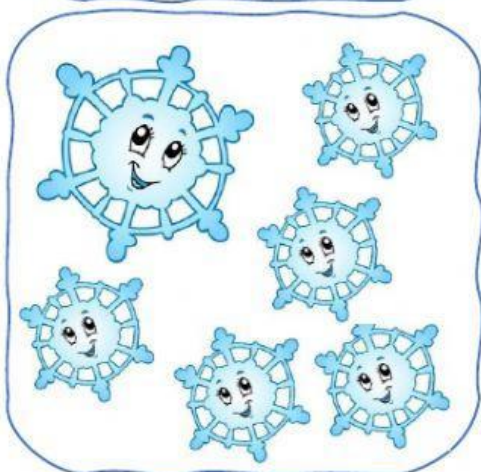

2. Realizează corespondența între imagine și operația corespunzătoare:

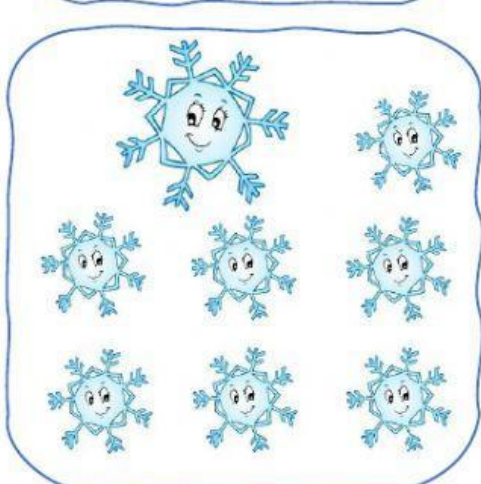

$$1+5=6$$

$$6+1=7$$

$$1+7=8$$

$$4+1=5$$
