

"Set Fire to The Rain"  
ADELE

A

I let it fall, my heart  
**And** as it fell, you rose to claim it  
It was dark, **and** I was over  
Until you kissed my lips **and** you saved me

B

My hands, they were strong  
**But** my knees were far too weak  
To stand in your arms  
Without falling to your feet

C

**But** there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
**And** the games you'd play  
You would always win, always win

D

**\*\*But** I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name!

E

When I lay with you  
I could stay there  
Close my eyes  
Feel you here forever  
You **and** me together  
Nothing is better

F

'Cause there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
**And** the games you'd play  
You would always win, always win

G

Sometimes I wake up by the door  
That heart you caught must be waiting for you  
Even now, when we're already over  
I can't help myself from looking for you
