

I'm going under and this time I fear there's
no one to save me
This all or nothing really got a way of driving
me crazy
I need somebody to heal
Somebody to _____
Somebody to _____
Somebody to _____
It's easy to _____
But it's never the same
I guess I kinda _____ the way you numbed
all the pain
Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I _____ my guard down
And then you _____ the rug
I was getting kinda used to being someone
you loved

I'm going under and this time I fear there's
no one to turn to
This all or nothing way of _____ got me
_____ without you
Now, I need somebody to know
Somebody to _____
Somebody to have
Just to know how it _____
It's easy to say but it's never the same
I guess I kinda liked the way you helped me
escape
Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone
you _____

And I tend to close my eyes when it _____
sometimes
I fall into your arms

I'll be safe in your sound 'til I _____
around

For now, the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone
you loved
But now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone
you loved
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone
you loved
