Hello, I'm Lucy. I live in London, in the UK. I've lived in my house for 10 years – all my life! I started a new school last week. I wasn't happy about going to a new school but I've made lots of new friends now.

Yesterday was a really exciting day. It was my birthday. My mum and dad gave me a new bike for a present. It's blue and red. I can cycle really fast now!

But today isn't a good day. I'm not feeling well and I've had a headache since this morning. I hope I feel better tomorrow so I can go out on my new bike again!
